

Child Safety Standards Policy for YUVA MNSSBY BIHAR

1. Prohibited Content

Our platform strictly prohibits any content that sexually exploits, abuses, or endangers children.

No nudity, sexually suggestive content, or inappropriate communication involving minors is allowed.

Any grooming behavior, child trafficking, or exploitation will lead to immediate account termination and legal action.

2. Age Restrictions & Verification

Our app is strictly for users aged 14 and above.

Age verification methods such as Government Id proof and AI detection are implemented to ensure compliance.

Certain features are restricted for underage users to prevent inappropriate interactions.

3. Moderation & Content Review

We use a combination of AI moderation and human review to filter and remove inappropriate content.

All user-generated content (UGC) is monitored to prevent violations of child safety standards.

Any reported content violating our policy will be reviewed and removed promptly.

4. Reporting & Enforcement

Users can report any suspicious or harmful behavior through our in-app reporting system.

Our support team investigates reports and takes necessary action, including suspension and banning of violators.

We collaborate with law enforcement agencies such as [e.g., NCMEC, INTERPOL] to report severe violations.

5. Parental Controls & Safety Features

We provide parental control settings to manage content visibility and interactions.

Parents can access educational resources on child safety within our app.

We limit data collection from minors in compliance with privacy laws.

6. Compliance with Laws & Regulations

We comply with COPPA (Children's Online Privacy Protection Act), GDPR-K (General Data Protection Regulation for Kids), and Google's Child Safety Standards Policy.

All user data is handled securely, ensuring children's privacy and protection.
